ASTRAFOODS®

100% All White Fresh Chicken Breast!

Astra Foods chicken products are made from 100% all white, fresh chicken breast. It's boneless, skinless and the taste is unbeatable. Astra Foods Philly style chicken products will keep you a step ahead of your competition!

All raw chicken products are available in a wide array of marinated or non-marinated varieties. For best results, frozen chicken should be thawed before cooking. Using a pre-heated grill, Astra Foods raw chicken can be prepared in minutes from start to finish!

Fully cooked chicken steaks offer the same top quality as the raw products, and are quick and convenient to prepare in the oven, microwave or steam table. Items can be altered with several house spices or Astra Foods will customize a unique spice blend just for you!
